

HOMWORK SHEET For Year 3 and 4

Published: 13.07.18

Due in by: 20.07.18

Round up

Each week, two of our children will write the round up. This week it was the turn of Jack Rose and Grace Ireland (Pine Martens)

In English, we've been writing our persuasive text up in best. In maths we've been in a year 3 or 4 group and we've been doing times tables, including multiplying 2 digit numbers, 3 digits for example $4 \times 3 \times 6$ and played times table shoot out. We were doing football stuff in P.E. because of the world cup but it was probably our last session of that. We spent 2 mornings with our new teachers for transition week. The new teachers were kind. We built marshmallow towers and played I have a place on my right.

Coming up

In this section, the teachers will signpost next week's learning, with suggestions so you can support your child.

Next week, we will be learning about Ancient Greece. This will include reading and recreating Greek Myths in English as well as learning about Greek philosophy. On Monday, the Year 5s will be joining us while the Year 6s go on a trip. The children will have lots of opportunities to get creative! We will also be making some thank you cards later on in the week. Our achievement assembly is on Wednesday and we will say farewell to the Year 6s in their graduation on Friday.

Homework

It is time to reflect on the brilliant year we've had and look forward to exciting new times ahead. For your homework, think about your favourite memory of this year and what you are most looking forward to next year.

You could...

- Write about these.
- Create an image of the two things.
- Present your ideas using ICT.

Times tables

Which times tables do you know really well?
Which ones could you speed up on?

Spellings

Learn the topic words on the reverse of this sheet.

Reading

Find some books about Ancient Greece. Try to find some myths to read too. This might be in a book or online.

Remember the Summer Fair is on Monday. There will be a mufti day for this and children in Year 3/4 have been asked to donate cakes. We hope to see you there!
