

Year 5&6 Homework
Set on 30/11/2018
Due in by 07/12/2018

Round up	We have carried on our work on the Lion the Witch and the Wardrobe this week and we have continued our start to Christmas by looking at what features we like in Christmas decorations.
English	This week, we have looked at the character descriptions C.S.Lewis has used in his writing and have tried to create our own characters and write a description in that style. We have looked at the effect of our vocabulary choices to create a friendly and a sinister character.
Maths	Year 6 The children have had a fantastic week learning how to simplify and compare fractions and will be applying this next week to adding and subtracting fractions. Year 5 The children have been multiplying 3 digit numbers by 2 digit numbers this week and next week they will be dividing.
Topic	In D.T, we have been researching Christmas decorations and thinking about what makes them successful. We will be designing our own decoration that we will make out of felt. Thank you to all those who have sent in buttons. If you still have some spare buttons at home or other decorations like pompoms, sequins or beads that you wouldn't mind donating, please send these in next week.
Homework	In DT, it is important that the decorations are designed to meet a client's specifications. Think about who you might be making your decoration for. What shape would they like? What colours do they like? What embellishments could you decorate it with? Interview that person and find out what they like in a decoration.
