

HOMWORK SHEET For Year 3 and 4

Published: 14.12.18

Round up

Each week, children from each class write the round up. This week it was the turn of Hares class.

Wow! What a fantastic term we have had. The children have learnt lots. We started off with our topic of Native Americans and finished with Lily and the Snowman and our fantastic Christmas production 'The Greatest Snow'. In Maths this week we have been solving a host of word problems! In English we have been discussing a variety of poetry and preparing vocabulary to use in our own writing next week. We have been enjoying Christmasy art activities as well as watching the Christmas performances from other year groups across the school.

Coming up

In this section, the teachers will signpost next week's learning, with suggestions so you can support your child.

Next term our topic will be The Roman invasion and Boudicca. Over the holiday, children can take a sneak peek into Roman dress and armour. Please could you save a large piece of cardboard from a suitable box over the festive period. It should measure from your child's shoulder to just below the knee. Please bring this in on the first day back if possible.

On Friday 11th January the children will be having a Roman immersion day please could they come dressed as either an Ancient Briton or a Roman. Some ideas for costumes are overleaf or look up some options online.

Homework

There is no specific homework for the Christmas holidays. Here are some ideas of activities which will help your learning:

- Write thank you letters - focus on your spelling, handwriting and choice of words.
- Keep a diary of your holiday.
- Play board games together: scrabble, monopoly, snakes and ladders.....
- Play card games: 21, trumps.....
- Find some different APPs for times tables or spellings.
- Go for a walk and enjoy the environment.
- Keep fit riding your bike or scooter.

Times tables

Keep practising your times tables. Sing songs, use cards or dominoes to generate different calculations.

Spellings

Check which spellings you find difficult and practise these.

Reading

Hopefully Father Christmas will bring you some new books, so take the time to enjoy them.

Thank you for your support throughout the term and the thoughtful Christmas presents.

Have a fantastic Christmas and New Year with your family.

See you in January.

The year 3/4 team.

Woman's Tunic

A woman's tunic is just a tube of material, long and baggy, with either two decorative brooches pinning the shoulders of the tunic together to make holes for the head and arms, or sewn to do the same thing. They are tied at the waist with a leather or fabric belt.

Man's Tunic

Dumnonii men wore a shorter tunic with trousers. They are made much the same way as women's tunics but are shorter (*knee to mid thigh length*) and are sewn at the shoulders, not pinned. They are also worn with a fabric or leather belt.

As a minimum, long baggy T-shirts, belted at the waist could be worn.
