Dear Parent/Carer

RE: BRING A PARENT TO PLAY! - FRIDAY 15 FEBRUARY 2019

At Woodlands Park we recognise the importance of play on children’s development. A child’s physical and mental health, understanding of the world and vocabulary acquirement, can be vastly improved when children are able to play. The attachment and relationships formed through best play with a trusted adult during their primary years are proven to have a significant positive effect on a child’s life outcomes and resilient behaviours which they carry through to adulthood.

We would like to invite you into school for a presentation about “Play!” This will be followed by the opportunity to work alongside your child in class on a related activity...well the chance to play with your child in class! We will begin in the school hall at 9.00 am (tea, coffee and biscuits available from 8.45 am) with a presentation by myself and Michelle Ridge. You can then join your child(ren) in their classroom until 10.00 am. If you have more than one child you can either divide your time between the classes or take your child to visit their sibling to play! Because of limited available space we must limit the morning invitation to one adult per child.

To ensure we have enough seats and, more importantly, biscuits please can you return the slip below to let us know if you are planning to join us.

Kind regards

Debbie Pickering
