

## Year 3 and Year 4 Summer 1 Home Learning Tasks

This term our topic is 'What is special about the UK' and we are looking at the world around us with the geography we can see and research. Each week you could choose one or two activities from the grid below. This part of your home learning **should take no longer than 1 hour. Please continue to practise your times tables and spellings each week and enjoy plenty of reading!**

<p>Draw a map of your route to school. Can you include physical features (such as rivers) and human features (such as churches, train stations, shops)?</p>	<p>Design your own colourful compass including the 8 most important compass points.</p>	<p>Write a short newspaper report describing a famous expedition as if it has only just happened!</p>	<p>Write your own counties and cities quiz. Write clues e.g. "my county is bordered by Dorset and Cornwall" can your partner guess the county?</p>
<p>Design a PowerPoint about a county of your choice. You could include maps, cities - any human or physical features.</p>	<p>Compare average temperatures from cities in the UK. Can you put them in order from lowest to highest Y4 - can you include your decimal knowledge to help with this?</p>	<p>Imagine you are the leader of an expedition to an unknown land. What things will you need to take with you and what rules will you have for your group?</p>	<p>Create a poster of a place you would like to go on an adventure. This could be in the UK or anywhere else in the world you would like to visit.</p>
<p>Dictionary skills: Find a new word in a dictionary (book or online). Can you write a definition of the new word, draw a picture of it and include it in a sentence?</p>	<p>Have a go at using your fraction knowledge to talk about food! Write sentences such as <math>1/4</math> of a banana + <math>1/4</math> of a banana is <math>2/4</math> of a banana which is the same as a half. Or <math>5/8 + 1/8 = 6/8</math> and show this using a pizza!</p>	<p>Invent a new healthy snack and write out the recipe (including the ingredients and the method). You could maybe even make the snack and take a photo of your creation!</p>	<p>Talking Numbers: Ask an adult or friend to write a number down. You have one minute to tell the person as many facts about that number as possible. It could be: calculations that total this number; whether the number is odd or even...then write down your number facts.</p>
