

Homework grid

Please choose a homework task from the grid to complete each week. Over the half term, try to choose a range of tasks rather than picking all the ones in the same column. Homework can be completed in a homework book or a different format if that is more appropriate for the task. Please return homework as it is completed on a Monday so that it can be marked and celebrated. Any questions, please come and ask!

<p>* Create a poster explaining how to round the number 8,342,791 to the nearest:</p> <p style="text-align: center;">1,000,000 10,000 1,000 10</p>	<p>* Write 2 different conversations with 5 exchanges of speech each between Jim Jarvis and a policeman.</p> <p>- In the first one, try to make Jim seem scared and the policeman seem concerned.</p> <p>- In the second one, try to make Jim seem ill and the policeman seem suspicious.</p>	<p>* Research the different jobs that children might have had in the Victorian era. Create a fact file about 3-5 of the jobs.</p>
<p>* Measure your height in cm. Use your place value knowledge to work out how tall you are in metres (HINT: dividing by 100). Then measure 5 other things in your house and give their height in m and cm.</p>	<p>* Write a description of a character who opens the door to Jim after he has run away from the workhouse. How will you describe what they look like and how they act to show not tell what the character is like?</p>	<p>* Choose one of William Morris' pieces of artwork and attempt to recreate a section of it in whichever art medium you choose.</p>
<p>* Solve the following calculations using the formal written methods:</p> <p>1) $4,532,557 + 3,831,461 =$ 2) $253,634 - 37,291 =$ 3) $384 \text{ divided by } 24 =$ 4) $132 \times 26 =$</p> <p>Remember to show your workings!</p>	<p>* Write a book review of your favourite book you have read in the last year. In your review, please include a summary of the storyline (don't give away the ending), what genre the books is, why you'd recommend it and if it is similar to any other stories you have read.</p>	<p>* Pick 2 purebred breeds of dog and try drawing what you think their offspring would look like. Name the new breed and label the features they might have inherited from each of the parents.</p>

In addition to the formal homework set each week, we expect the children to be reading for 20 minutes at least 5 times a week, practising their times tables and learning the weekly spellings from the grid below:
