

Key Stage 1 Home Learning

This week, we have:

- Performed our seasonal production - *The Elves and the Shoemaker*
- Carried on 'Celebrating Difference' and talked about what bullying is and how it can be prevented
- Ask your child to tell you more!

Choose from the following activities:

Year 2: Please complete the word problems on the back of this sheet. Have a think about whether you need to multiply or divide to solve the problem. You might want to draw a picture to represent your understanding. Can you tell us what each number represents in your number sentence?

Year 1: Please practise your number bonds to

Year 1 and 2: Write a review of our amazing production. What was your role? How did you feel when you were performing? Can you compare it to the production we watched at the theatre. How was it different? What did you like? Why?

Talk to your family and ask them their opinion too.

Go out for celebratory walk with your family and have a treat! You were brilliant! Well done!

General Notices: We would like to say a huge well done to all our KS1 children for giving us and their parents such a fantastic performance this week. They worked really hard and we are very proud of their effort.

Just to remind you that on Tuesday, 17th December 2019, we will be walking over to the Methodist Church for our Carol Service. Please make sure your child has a coat with a hood, gloves and a hat with them.

Phonics or Spellings (check whose spelling group your child is in):

Miss. Doe

Please practise the words below:

war warm towards
ward warn
to too two

Mrs. Eastwood

During reading at home can you spot any words with the graphemes

a as in 'hat'

a as in 'bacon'

y as in 'yellow'

y as in 'dry'

ch as in 'church'

ch as in 'chef'

ou as in 'loud'

ou as in 'soup'

Mrs. Bartolini/Miss. Marshall

find some objects. Put these in a bag. Play the game with your parentss

Miss. Pope/ Miss. Hawkes/
Mrs. Sweeney

We will soon be learning that some of our graphemes make an alternative sound. Eg: 'c' makes the 's' sound in 'circus'. Could you identify any words that make have a grapheme that makes an alternative sound.

Comments or questions from home:

Year 2 Maths word problems

1. Henry gets a few bunches of grapes. There are 5 grapes in each bunch and 30 grapes altogether. How many bunches did he get?
2. Milo collects 60 pebbles at the beach and wants to put them equally in 10 pots. How many pebbles will he put in each pot?
3. Ella and Flynn buy 18 sweets at the shop. They share them equally. How many sweets did they each get?
4. 45 candies are arranged in trays in groups of 5 for the Christmas dinner. How many trays are there altogether?
5. Nina has some pears. She cuts them into 70 pieces in all. Each pear is cut up in 10 equal pieces. How many pears did Nina cut up?
