

# Homework

Set: 17/05/19

Due In: 24/05/19

Round up	During SATs week, the Year 6 children have worked incredibly hard and tried their best. The Year 5s have also been really supportive and adapted to fit their learning around the tests. We have also enjoyed watching the Greatest Showman on Friday to prepare the children for their production next term.
Maths	Year 5 are finishing their shape work and are starting their position and movement chapter.
Topic	This week the children have enjoyed some extra PE sessions as well as learning more about Buddhism in RE.
Homework	<p>Year 6 Pack for Bude! Remember to check what you are bringing so you know what to bring home and make sure all your clothes are named.</p> <p>Year 5 Next week, you will be having lots of outdoor learning sessions. (Be prepared for the weather – this may be sun cream and sunhats or school jumpers and coats!) In preparation for this, research some of the native trees to Britain. How can you identify them? Create a poster or leaflet for display that will help others to know what trees we have in the local area. You make want to draw the leaves or find some to attach to show the distinguishing features.</p>
Spellings – weekly spellings	<ol style="list-style-type: none"><li>1. explanatory</li><li>2. environment</li><li>3. secretary</li><li>4. jewellery</li><li>5. poisonous</li><li>6. company</li><li>7. desperate</li><li>8. definitely</li><li>9. difference</li><li>10. voluntary</li><li>11. reference</li><li>12. temperature</li></ol>
Reading	Have a look through a non-fiction book about nature. What information have you learnt?
Number fluency & Arithmetic	Where do you use fractions at home? Have you eaten half a pizza? Did you eat $\frac{3}{4}$ of your meal? Try using fractions to describe some of these things.
Dates for the diary.	<b>Sunday 19<sup>th</sup> May</b> – 2:30pm leave for Bude. <b>Friday 24<sup>th</sup> May</b> – 4:00pm (approx.) Year 6s return from Bude.
