

Year 2 Home Learning - Autumn 1

In line with our home learning policy, we expect approximately one hour to be spent on home learning each week. This should include reading and maths skill practise. All other activities are suggestions and optional. If your child's class teacher has asked you to practice specific skills, this all counts too! Homework can be submitted on your child's class dojo portfolio. Please upload this as and when the tasks are completed. Our PE days are Tuesdays (indoors) and Thursdays (Outdoor). Please ensure your child has the appropriate kit and their hair tied up on these days.

Thank you for your continued support at home, from the Year 2 team!

<u>English</u>	Draw a picture of yourself and your family and label it.	Think about your favourite character from a tale. Write sentences about them.	Write questions using 'What', 'Why' and 'How' about a character from a book.	Find a non-fiction book and write up any facts you can find.	Write a book review for one of your favourite stories.
<u>Foundation subjects</u>	Write or draw your hopes and fears for Year 2.	Create a movable object using different materials - cardboard and straws.	Find a picture of yourself as a baby and a toddler. How have you changed, as you have grown older? Write sentences to describe how you have changed.	Create a dance sequence using the skills you have learnt in PE. Send it to Dojo to share with your class.	Create a poster on our world including the continents and oceans. Alternatively, your poster could be about where you live.
<u>Spelling</u>	Please practise the following spellings each week with your child. We will have a weekly spelling test each Friday in school focusing on the same words you have practised at home that week. Spelling tests will be recorded in the back of your child's home learning book so please see there to find out how they did! Please see the other side of this sheet for a variety of spelling practise activities.

<u>Reading</u>	Some ideas and reminders for reading at home: • Read daily at home: • Remember to talk about the books you share • Visit the local library when you can				
<u>Mathematical</u>	Here are some suggested activities that support • Practise counting forwards and backwards in 10's from any number (we do not look at 3-digit numbers in Year 2) • Practise counting in multiples of 2, 5 and 10 (starting at 0) • Use Numbots to practise maths fluency skills (the quicker children recall known facts, the easier new maths concepts become) • Use other games such as 'Hit the Button' (https://www.topmarks.co.uk/maths-games/hit-the-button) and 'Maths Chase' (https://www.mathschase.com/all-games/ times tables, addition and subtraction) • Practise writing digits the correct way round
