Key Stage 1 Home Learning

This week, we've been:

- Writing about Little Red Riding Hood using statements and questions (Year 2).

- Learning how to open applications and manipulate windows on a computer.

- **Ask your child to tell you more!**

Choose from the following activities:

Year 2: Can you share some of our addition and subtraction methods with your adults at home? (number bonds/partitioning, number lines, column method) Can you tell them what exchanging and renaming means?

Year 1: Can you practise adding by counting on from the biggest number? Create some addition problems to solve!

Year 1 and 2: Can you think of all the things you 'do' over the weekend. What verb describes your action? Can you use your verb in a sentence? E.g. eat - I eat tea with my family.

General Notices: On a Wednesday afternoon your child is taught specialised P.E. and music sessions whilst their class teachers have PPA. They are sent home by these same adults. To help the team at home time on this day in particular, could we please ask all adults who are collecting, to be extra vigilant and support the team in identifying you when waiting outside the classrooms. This will ensure every teacher is confident they are sending the children home with a known, familiar adult.

We have sent your child home with their cauliflower card designs. If you would like to purchase these, please affix the design to the order form and return to school before the deadline. We have not affixed the designs in school as we understand children may wish to add to them at home, or you may have a design you'd prefer to create at home together. We have therefore sent them out early to ensure you have plenty of time to do this.

Phonics or Spellings (check whose spelling group your child is in):

Mrs. Marshall	Mrs. Bartolini	Miss. Pope	Miss. Hawkes/ Mrs. Sweeney	Mrs. Eastwood	Miss. Doe
Have a go at reading these words. You might like to write them in your home learning book and add sound buttons! Annoy, oyster, clue, rescue, straw, awful, dirty, shirt.
