

Year 3 Autumn 1 Home Learning Tasks: This term our topic is 'Where can we go from here?'. We will be learning about the UK and its countries, Devon and its cities and Ivybridge. We will also be looking at 'Forces' in science and The Creation Story in our RE learning. Our English will start a new scheme of 'Literacy and Language' where the homework is set for each week. Please see in the grids below what your child will need to complete each week. For maths your child has been put into specific maths groups to support their learning this year. Please see highlighted in the grid below which work your child will be doing each week. Your child will need to have access to their Times Tables Rockstars log in details to practise their times tables. Please see their class teacher if you need these again. Each week there is an optional topic learning grid for your child to choose from. We ask that you read with your child everyday to keep up with their progress in school. Our PE days will be Mondays and Wednesdays this term, please send your child in with a named PE kit to leave in school which will be sent home each half term.

Week Number	Maths	Literacy and Language	Topic	Reading
