

Friday 16th October 2020
 Due in 22nd October 2020

Round up The children have shown great commitment to all learning tasks this week. This end of the half-term often becomes difficult as tiredness sets in but such kindness has been seen getting one another through these moments.

Next week **English**
 We will be writing a chapter for the story 'Friend or Foe' in which David and Tucky go exploring and make a discovery. This will be a chance to show the range of writing skills we have been developing recently, such as punctuating dialogue.

Maths
 Year 5 – chapter consolidation of addition and subtraction.
 Year 6 – diving by two digit numbers.

Topic – We will be starting our Science work on electricity. This will include making circuits, using switches and drawing scientific diagrams of these.

Key Dates –
 WC 19th October –Parents evening consultations.
 23rd October – Non pupil day.

Home-work Task Read some of the information about electricity at <https://www.theschoolrun.com/homework-help/electricity-and-power-generation>
 You could write notes about what you found most interesting, create an electricity poster or a PowerPoint presentation.

Key Skills tasks Expected from all children.

- 3 x 20 minutes of reading independently or with an adult.
- 2 x 15 minutes of times table rock stars or timetable practice. (a times table challenge sheet is on the website)
