

Foundation Stage News

Date: Friday 16th July 2021

Oooo argh me hearties! The children have had a fantastic week at 'Pirate School' this week and have done a sterling job at learning how to become pirates. They have made their own pirate tools and accessories, learnt how to sneakily steal treasure and completed challenges to get their own treasure back from Blackbeard the pirate!

Reading

Please continue to read with your child at home throughout the summer holidays. Don't forget to log onto Phonics Bugs Club www.activelearnprimary.co.uk using your child's username and password (look on your teams chat if you cannot remember) and use the school code K3pa to access a range of reading books for your child to read.

Maths

It would be beneficial for your child to play some maths games throughout the summer holidays. They could log onto Numbots or access the Topmarks website which has lots of great games.

Bookmarks

Thank you for your support in reading the words on your child's bookmark at home. It would really benefit your child if you continue to practise the words on the bookmark throughout the summer holidays. If your child can read the words, challenge them to be able to spell them correctly.

We have had a wonderful year with the children and feel very privileged to have taught them and see how they have developed throughout the year. We hope you all have a well-deserved rest over the summer and you get to make lots of wonderful memories. Let's hope the sunshine lasts!

Reminders:

- Please ensure you return all of your child's library books and reading books by Monday 19th July 2021. The children will not take any books home over the summer but will still have access to reading books on phonics bug and free games on the phonics play website.
- We will be sending your child's books home with them on Monday. Please ensure that your child has a carrier bag inside their book bag which they can carry their books in. We will also be sending their PE kits and wellies home with them before the end of term.
- Your child's school report was sent home with them today. You will find these inside your child's book bag.

Any comments.....
