

Year 3 Summer 2 - Home Learning Tasks

This term our topic is 'Amazing Bodies'. In Science, we will be looking at how animal (including human) bodies are different, what they need to survive and how the human body changes. We will be looking at whether Jesus could heal people in RE and coding in computing. In English, we will be looking at poetry with the book 'A River' and then finish off with 'Leon and the place in between'. With our maths we will be looking at angles, shapes and perimeter. It would really help if the children continued to practise their 3s, 4s and 8 times tables on TTRockstars a few times a week at home.

Each week you can choose one or two activities from the grid below. This part of your home learning should take no longer than 1 hour. Please continue to practise your times tables and spellings each week and enjoy plenty of reading!

Accelerated reading website: <https://ukhosted43.renlearn.co.uk/2252803/public/rpm/login/Login.aspx?srcID=t>

TTRockstars website: <https://trockstars.com/>

We will be doing outdoor learning on Thursdays so please can the children bring old clothes in which will be left in school.

<p>Research about your favourite animal and write about it.</p>	<p>Ask a parent to download a tree identification app and use it to discover different trees in your local area.</p> 	<p>Create a maths game of snap where you have to match the shape to the name or fact.</p> <p style="text-align: center;">Eg.</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="border: 1px solid black; padding: 5px; text-align: center;">  </div> <div style="border: 1px solid black; padding: 5px; text-align: center;">Triangle</div> <div style="border: 1px solid black; padding: 5px; text-align: center;">3 sides</div> </div>	<p>Compare and write about different organs and their functions. Have a go at drawing and labelling them too!</p>
<p>Have a go at these maths games: https://www.mathschase.com/all-games/</p>	<p>Compare the heartbeat of you and a family member. What other differences do you have?</p>	<p>Have a go at improving this sentence with adverbials: The sloth moved.</p> <p>Eg. With delicate grace, the sloth</p>	<p>Have a go at coding on this website - https://hourofcode.com/uk/learn</p>
<p>Write a poem based on an animal</p>	<p>Draw/paint or create an animal of your choice. Make it as realistic as possible! You could give it a name or label it.</p>	<p>Research about the different bones in a human body. How many can you name? What are their functions?</p>	<p>Make a diary of what you did over the weekend and include what time you did each thing. Challenge yourself and write it in the 24h format.</p>

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
heel	nutrition	regular	skull	position	therefore	You can choose your spellings this week!
heal	vitamins	remember	brain	possess	though
