

### Year 3 Summer 1 Home Learning Tasks

This term our topic is 'Roots and Shoots'. In science, we will be studying about plants – how and what they need to grow. We will be looking at the importance of forgiveness for Christians in RE and desktop publishing in computing. Our English will firstly look at a book by Raymond Briggs called 'Jim and the Beanstalk' and then explore some instructional writing to finish off the term. With our maths we will be looking at pictograms to start the term. It would really help if the children continued to practise their 4s and 8s times tables on TTRockstars a few times a week at home. This will build their fluency into understanding division facts as well. Each week you can choose one or two activities from the grid below. This part of your home learning should take no longer than 1 hour. Please continue to practise your times tables and spellings each week and enjoy plenty of reading!

Accelerated reading website: <https://ukhosted43.renlearn.co.uk/2252803/public/rpm/login/Login.aspx?srcID=t>

TTRockstars website: <https://trockstars.com/>

Please get in touch with us if you have lost your child's log in details.

<p>Visit a garden centre, buy some seeds and plant them in some compost and pot. Write a diary of how you have cared for this plant and how its growth has changed over time.</p>	<p>Visit your local church or their website and write a list of their key beliefs. If you do visit the church, perhaps ask the steward or vicar/minister why forgiveness is so important in Christianity?</p>	<p>Buy some flowers from a shop or pick some from your garden. Put them in a vase with coloured water and draw your observations of how this changes the flowers.</p>	<p>Visit a woodland or national trust garden. Speak to the volunteers around and take photos of the different plants and flowers. Make a PowerPoint presentation of your visit and email it to the school office to share with your class</p>
<p>Make a pictogram of the different hobbies you share as a family. Which is the most popular? Which is least? You could do this for favourite foods/holiday destinations/TV shows</p>	<p>Practise your multiplication on this interactive game. <a href="https://uk.ixl.com/maths/year-3/identify-multiplication-expressions-for-equal-groups">https://uk.ixl.com/maths/year-3/identify-multiplication-expressions-for-equal-groups</a></p>	<p>Create a 3D plant. (All the parts flower, leaves, roots and shoots) Use cardboard/papier mache/ fabric – ideas are endless. Bring it in to share with your class. There are several ideas on pinterest</p>	<p>Use the link below to play an interactive game on pictograms  <a href="https://www.softschools.com/math/data_analysis/pictograph/games/">https://www.softschools.com/math/data_analysis/pictograph/games/</a></p>
<p>Search for 'scratch' on google. Once in, click on create. Recall what you've learnt last term and get creating!</p>	<p>Write a list of instructions on how to care for a plant.</p>	<p>Practise your division skills on this interactive game. <a href="https://uk.ixl.com/maths/year-3/relate-multiplication-and-division-for-equal-groups">https://uk.ixl.com/maths/year-3/relate-multiplication-and-division-for-equal-groups</a></p>	<p><a href="https://www.topmarks.co.uk/maths-games/subtraction-grids">https://www.topmarks.co.uk/maths-games/subtraction-grids</a> Use this link to practise subtraction skills (choose upto 100 option)</p>

Week 1 Wb 25.4.22	Week 2 Wb 2.5.22	Week 3 Wb 9.5.22	Week 4 Wb 16.5.22	Week 5 Wb 23.5.22
hoped	quickly	island	I'll	naughty
hopped	nicely	knowledge	I'm	notice
liked	closely	learn	don't	occasion
stopping	lately	length	hadn't	often
hugging	funnily	library	you're	opposite
smiled	happily	material	he'll	ordinary
baked	luckily	medicine	isn't	particular
baking	frantically	mention	haven't	peculiar
slipped	dramatically	minute	you've	perhaps
clapping	basically	natural	I've	popular
