Topic – Our topic this term is: The Caribbean

We are enquiring about the question: How do physical features, location and human geography enable us to learn about a region of the world?

If you wish to look deeper into our topic at home, please try to answer a question from below in your own creative way. This could be through some research, a poster or leaflet, or something more physical like cooking.

Key vocabulary:	Key questions:
Human Physical Longitude Latitude Atlas Equator Tropic of Cancer Tropic of Capricorn Landform Hurricane	Which countries make up The Caribbean? How do I locate the Caribbean on a world map? Which physical features can I find in The Caribbean? What do can we find out about the human geography of The Caribbean? What is the climate of the Caribbean?
