

Year 3 Spring 1 Home Learning Tasks

This term our topic is 'The Stone Age'. We will be studying different time periods as well as visiting different time periods. We will also be looking at rocks and soils in science, why festivals and worship matters to Muslims in RE and making a stop frame animation film in computing. Our English will firstly look at a picture book and then a story where we will use our imagination. With our maths we will be looking at measuring length and weight. It would really help if the children continued to practise their 4s and 8s times tables on TTRockstars a few times a week at home.

Each week you can choose one or two activities from the grid below. This part of your home learning should take no longer than 1 hour. Please continue to practise your times tables and spellings each week and enjoy plenty of reading!

<p>Create a cave painting using paint, pencil, mud or pens.</p>	<p>In a glass jar try to create the different layers of soil. Bring this in to share with your class.</p>	<p>Write a conversation between two film characters using the correct punctuation for direct speech.</p>	<p>Create a PowerPoint or fact file about the tools the Stone Age people used for cooking.</p>
<p>Research animals which were around in the Stone Age and create a fact file.</p>	<p>Practise your multiplication on this interactive game. https://uk.ixl.com/maths/year-3/identify-multiplication-expressions-for-equal-groups</p>	<p>Create a woolly mammoth</p>	<p>If you have an opportunity to go for a walk, can you list out the different types of soils and rocks you can spot? Take pictures and try to make a power point on this and email it into the office to share it with your class.</p>
<p>Find a book with only pictures in it (No words). Use your imagination to create a story plot for this book. Write this story out and then read it out to your family. Happy creating!</p>	<p>Write a recount of your trip to Kents Cavern.</p>	<p>Practise your division skills on this interactive game. https://uk.ixl.com/maths/year-3/relate-multiplication-and-division-for-equal-groups</p>	<p>Write a short story based in the Stone Age.</p>
