

Year 3 Spring 2 Home Learning Tasks

This half term we will be learning about agriculture in geography, Persia and Greece in history and the Hebrew Bible in RE. We will also be looking at light in science and create Easter baskets in DT. We will be coding using SCRATCH in computing and looking at how to stay healthy in Jigsaw. In English we will continue our sequence on Fossil for the first week and then look at 'Arthur and the golden rope' which is a Viking myth. In our maths we will continue to work on length and perimeter. Each week you can choose one or two activities from the grid below. This part of your home learning should take no longer than 1 hour. Please continue to practise your times tables, handwriting and spellings each week and enjoy plenty of reading! Our handwriting

<p>Write your 3, 4 and 8 times tables without any help. (Use resources around the house if you need to).</p>	<p>Write a food diary over your weekend. Highlight the foods you think were really healthy.</p>	<p>Create a rainbow using a mirror and a torch. Place the mirror inside a glass container (mixing bowl or large tumbler) and shine a torch onto it until you can see a rainbow reflected onto the wall. You might need to adjust the angle of the glass to make it work. Enjoy! 😊</p>	<p>Write a fact file about how Persia and Greece</p>
<p>Have a discussion with a member of your family about why it's important to learn about past events</p>	<p>Do you have a favourite cup or bottle? Find out which one will hold the most water!</p>	<p>Write a recount of your favourite holiday or a day trip</p>	<p>Find a healthy recipe to cook at home. Bring the written recipe in to share/read with your class to talk about healthy eating.</p>
<p>Write a diary of your activities over a weekend using time adverbials.</p> <p style="text-align: center;">After school, On Saturday, Later that evening, As soon as I woke up,</p>	<p>Practise coding on SCRATCH at home</p> <p style="text-align: center;">https://scratch.mit.edu/</p>	<p>Make a shadow puppet and perform with dim lights at home.</p> <p style="text-align: center;">Here is a useful link: https://www.youtube.com/watch?v=Kz8wP2RYy64</p>	<p>Write 5 length and perimeter inspired mathematical problems for your grown-ups to solve with you! Tell us on Dojo how you got on!</p>
