

Year 5 Homework grid – Summer term 1 2026

Please choose a homework task from the grid to complete each week. Over the half term, try to choose a range of tasks rather than picking all the ones in the same column. Homework can be completed in a book, on paper or a different format if that is more appropriate for the task. Please either upload the homework on your child's portfolio on Dojo or bring in to school.

Maths	English	Wider curriculum
<p>Maths Task 1 – Angles at home</p> <p>We would like you to explore angles in real-life contexts around your home.</p> <p>Find 10 different angles around the house e.g. door frames, shelves, books, clocks, light fittings, furniture.</p> <p>Estimate the angle first. Is it acute, obtuse, reflex, a right angle, straight?</p> <p>Measure the angle using a protractor</p>	<p>English Task 1</p> <p>Read the sentences on the attached sheet and write down the word class of each of the words. Instructions are given on the sheet.</p>	<p style="text-align: center;">Geography</p> <p>Can you create a fact file about the ecosystem of the river Amazon</p> <p>You could include information about the water system, food chains, the nutrient cycle and decomposition.</p>
<p>Maths Task 2</p> <p>Collect data at home (could be weather, snacks, pets seen)</p> <p>Draw and label a bar chart to represent the data that you have collected.</p>	<p>English Task 2</p> <p>Read through the passage on the sheet provided. Copy the underlined words and write whether they are a phrase, relative clause, main clause or subordinate clause.</p>	<p style="text-align: center;">History</p> <p>Can you create a poster about King Athelstan? What was England like under his reign?</p>
<p>Maths Task 3</p> <p>Can you create a pattern or design using multiples?</p> <p>Examples:</p> <ul style="list-style-type: none"> • A mosaic where all multiples of 6 are one colour, multiples of 8 another. • A number line coloured to show patterns in multiples. 	<p>English Task 3</p> <p>Complete the questions on the sheet attached on colons, semi-colons dashes and brackets.</p>	<p style="text-align: center;">Science</p> <p>Investigate objects at home. Sort them into groups based on their properties (e.g., magnetic, waterproof, flexible, absorbent). Record at least 20 objects and explain one pattern you noticed.</p>
