We hope you've all had a relaxing half term and are ready to go again with Home Learning

Last half term, we were so impressed with the work being sent through to [year56@woodlandspark.devon.sch.uk](mailto:year56@woodlandspark.devon.sch.uk) and we look forward to seeing what you send in this half term.

Reading	<a href="https://ukhosted43.renlearn.co.uk/2252803">https://ukhosted43.renlearn.co.uk/2252803</a> Accelerated Reader points: Barn Owls- 35.2, Eagle Owls-28.3, Tawny Owls- 20.4 <b>Barn Owls win this week.</b> We recommend two 30 minutes sessions per day. 30 minutes book talk with an adult and one 30 minute session reading independently. For book talk, talk about any books you have read that have also been made into films. Which did you prefer? Did they change anything from the book? Were the characters how you imagined them to look?
Year 6 Maths	Monday - Money problems 1 Tuesday - shapes challenge at the end of Monday's Youtube clip. Wednesday - Money problems 2 Thursday - written methods practice. How many questions can you complete in 30 minutes? Friday - Money problems 3 Don't forget if you would like to challenge yourself further to try BBC Bitesize and Nrich.com for more Maths learning.
Maths 5 Maths	Monday - Converting g to kg and solving word problems Tuesday - TimesTables Rockstars. Weigh some items in your house. Can you convert from g to kg? Can you write any of your own word problems in the same style as yesterdays? Wednesday - Converting months to years. Thursday - TimesTables Rockstars. How old are your family members in months? Friday - Converting days to weeks.
Writing	Monday - Our Heroes poem study Tuesday - Read poems from books or online. Listen to some at <a href="https://childrens.poetryarchive.org/">https://childrens.poetryarchive.org/</a> Wednesday- Jigsaw song Thurs - Discuss or rehearse and perform some new poems. Friday - Write a poem
Topic work	Explore the daily topic lessons at <a href="https://www.bbc.co.uk/bitesize">https://www.bbc.co.uk/bitesize</a> A music site to try <a href="https://teamtutti.org/">https://teamtutti.org/</a> Have a go at creating a William Morris inspired design using some of the nature you have in your garden or you see when out exercising. Remember he uses repeated patterns, symmetry, natural tones and intricate designs to create his artwork. Choose an art medium and give it a go!
Physical Activity	Explore the tasks from the Arena PE and outdoor learning at home YouTube page. <a href="https://www.youtube.com/channel/UCCStjKIMICO-Em7zMJoHR3A/videos">https://www.youtube.com/channel/UCCStjKIMICO-Em7zMJoHR3A/videos</a> Have a go at trying to increase your stamina (how long you can do something before you give up) in a sport you enjoy. Try to build it up a little each day over the week. It could be the distance you can run before slowing down, how long you can hold a plank for, how many skips you can do etc...
Life Skills	As we are starting to think about coming back to school, talk to your family about what school might be like when you return. What do you think might have changed? What will be the same? What are you looking forward to? What are you nervous about? What might adults and children be doing to keep themselves safe?
