

Year 3/4 Summer 1 Home Learning Tasks

Please see the separate curriculum overview document to see the subjects we will be covering this term.

All classes will have PE on Thursday – year 3 – swimming / year 4 – at school.

Each class will post their other PE day on class dojo to avoid confusion.

Children should continue to practise their times tables on TTRS a few times a week at home. **By June, Y4 are expected to know all facts to 12x12.** Speeds need to be below 5 seconds per question on Garage in order to 'Go green'. Even if you have gone green, please ensure you keep practising to maintain speed and accuracy. TTRS website: <https://ttrockstars.com/>.

Please continue to enjoy plenty of reading and record this on your child's portfolio so we can continue to celebrate those 100%! If you would like to check if a home book has a quiz and find out its book level, please use: <https://www.arbookfind.co.uk/>

For any additional home learning, each week, from the grid below. This part of your home learning should take no longer than 1 hour.

Find out about a famous earthquake and create a fact file for it.	Read some Greek myths Google 'KS2 Greek Myths' (BBC) Write your own Greek myth.	Download the 'Arduino Science Journal' App and explore different volumes (dB) and pitches (Hz). Make a list of what you find.	Watch a video on Pentecost and the Apostles and create a cartoon story board. https://www.bbc.co.uk/teach/school-radio/articles/zw8c3j6
Draw a picture of your favourite rainforest animal. You could use paint, felt tips or chalk.	Practise telling the time on this interactive game. https://mathsframe.co.uk/en/resources/resource/116/telling-the-time	Practise a page of joined up handwriting by listing as many adjectives (describing words) as you can.	Money Lessons Nationwide Explore NatWest money lessons to develop an awareness of financial literacy. There are videos aimed at year 3 and 4.
Have a go at editing photos within a phone or tablet settings. Can you draw on top of the picture? Can you add a filter? Crop and rotate the image?	Draw a diagram to explain why earthquakes happen. Use: Explore earthquakes - BBC Bitesize to help you.	Have a go at completing this prior knowledge quiz on photo editing. Changing digital images KS2 Y4 Computing Lesson Resources Oak National Academy	Set your self a reading challenge. Maybe to read 15 mins a day for a whole week at home. Or to finish 4 books by half term – let us know your challenge and when you achieve it by writing on your portfolio.

Times Tables

This term is also when the Y4 Multiplication Check takes place – within June – and we would like every child to dedicate learning towards the knowledge of their times tables. We have now taught and learned all of the times tables up to 12 x 12 and the expectation at this point is that they know their times tables off-by-heart. Please can we ask you to support them at home by identifying any tables which they don't know quite so well and practice these. TT rockstars will focus on the times tables that your child needs based on their interaction. Please encourage short periods of practice at least three times a week. This will be monitored and time in school will also be given. There is also a battle between both Year 4 classes every week. Every question counts!

Spellings

This term they are revising some of the spelling they have done this year. As usual, they will be given on a Monday and tested on a Friday.
