

**Friday 13<sup>th</sup> May 2022**  
**Due in 19<sup>th</sup> May 2022**

**This week/  
Next week**

**English**

We will be reading the story 'Weslandia' a story in which Wesley proves that being different can be popular. We will look at the structure of the story and identify themes. This will lead the children to view the story from the perspective of a different character.

**Maths**

Our new chapter is measurement. In this we will be converting units of length (such as millimetres to centimetres) and mass (grams to kilograms).

**Topic**

In History we will be learning about the Ancient Egyptian army and reviewing our understanding of what made the Ancient Egyptians such an impressive civilisation. We will have opportunities for both classes to put their part of the 'Dance through the decades' dance together. We are looking forward to performing this soon! In PSHE we will be discussing when online games can become unhelpful or unsafe and revising how to respond to these situations. Computing will be manipulating objects in our Vector drawings.

**Homework  
Task**

Watch Tadeo and the Basement of Doom. <https://www.youtube.com/watch?v=uoJBzI2AUOw>

Have a go at rewriting the story (or part of the story).

Remember to

- Include character and setting description.
- Use brackets, commas and dashes for parenthesis.
- Use relative clauses.

(You can search online for Anchor Education parenthesis or Anchor Education relative clauses to revise these, if needed.)

**Key Skills  
tasks**

Expected from all children.

- 3 x 20 minutes of reading independently or with an adult.
- 2 x 15 minutes of times table rock stars or timetable practice.

**Spellings**

our	hour
bored	board
guest	guessed
