Advice on hiring

- Instrument hire is recommended as an opportunity to try out an instrument. If you know your child wishes to continue long term it is advisable to buy your own. You can ask us for advice or visit www.dmeh.org.
- We strongly recommend that you insure the instruments, often available within household policies, to cover you in case of loss or damage.
- Our instruments are suitable for beginners and students and we will always allocate the best quality instrument we have in stock.

Advice to schools

Schools are able to hire instruments on behalf of children.

Schools may hire on behalf of any **Pupil Premium** child at our heavily discounted rate of £30 per academic year.

Please visit www.dmeh.org for information about hire of class sets for schools, and our Next Steps scheme.
