Required to start 1 September 2018, WeST has a number of exciting opportunities to join an outstanding team at Woodlands Park Primary School on the next step of their journey to excellence. Woodlands Park Primary School is located on the west side of Ivybridge with good links to the A38.

We have 4 positions available. We are seeking 2 permanent teachers, 1 maternity cover teacher and 1 temporary teacher (for 12 months initially). We would especially welcome applications from KS1 specialists but whatever your skill set, if you are an energetic, passionate practitioner and can answer yes to the following, we would love you to apply.

Do you:

- place children at the heart of learning?
- have expertise in the teaching at KS1 or KS2?
- have ambition to shape your role and improve our current provision?
- have high expectations and a proven track record or the potential to be an outstanding teacher?
- have experience of teaching in a range of settings?
- Have proven skills in working as part of a team?

We can offer:

- the opportunity to work within, and potentially across, a newly formed multi-academy trust
- a supportive team of staff, governors and parents
- pupils who are eager to learn
- pupils who like to be challenged in their learning

We are committed to the safeguarding of children and expect our staff to share this commitment. An enhanced DBS disclosure is required for this post.
