Homework Questionnaire

Dear Parents/Carers

As part of our on-going school improvement work, I am reviewing our homework policy in January 2019.

It is essential that, as part of the review, I gather the thoughts and opinions of parents. I would be grateful if you could find 5 minutes to answer the following questions and return your questionnaire to me, via your child's class teacher or the school office, by Monday 10 December.

Thanks in anticipation of your support,

Steve Bone

Your name:

Child's name:

Child's age:

Do you think your child should be given homework? – please give your reason

How much time do you think children should spend on homework every week?

What homework activities do you think are valuable to support your child's learning?

What homework activities do you think are less valuable?

How many times a week to you think children should read at home?
