**HEADTEACHER UPDATE:** It has been great to return to normality at the start of the summer term. Attendance levels have been back to normal levels, the children have been enjoying their new learning sequences and the sun has even been shining!

Today, we have shared our plans to celebrate the Queen's jubilee on Friday 27 May. We hope that lots of you are able to join us on the school field for our celebrations. Please refer to the letter emailed today for further information.

This week, our Year 4 children have had an amazing residential experience at Simply Outdoors in Tavistock and final preparations are being made for the Year 6 residential to Bude later this month. These residential experiences provide the children with a huge opportunity to grow as they develop their independence, their trust in each other and the feeling that it is OK to be outside your comfort zone. We are however conscious that we are taking children on residential this year who, for obvious reasons, have had few opportunities to spend time away from the family home. Despite the success of our Year 4 residential in terms of how the children have responded positively to the challenge of being away from home, I suggest that you plan opportunities over the summer for your children to do some of the things that children used to do more of such as sleepovers with friends, a night staying over with a grandparent or a camping experience.

**Y4 RESIDENTIAL SIMPLY OUTDOORS** – Our Year 4 children have thoroughly enjoyed the last few days at Simply Outdoors on their first school residential trip. The children have been enjoying activities such as raft building, rock scramble, abseiling, gorge walking high ropes, trapeze, archery and wide games. All the children put in so much effort to every activity and were extremely brave. Well done Year 4!

**RWINC & LIBRARY BOOKS RETURN** – We have had lots of new books delivered to the school recently for our children to enjoy in KS1 & KS2. We would also like to ask parents if you have any library RWInc books at home that your children have finished to return them to school to go back in our library for other children to enjoy.

**ACCELERATED READER** – A big well done to our new millionaire readers Isabelle Dawe, Coby Toogood, Tammy Armitage, Millie Arnold who have all read over 1 million words! A special well done to Eilidh Schnoor, William Phillips & Ben Phillips who have now read over 2 million words and Evelyn Glassock who has read over 5 million words!

**CENSUS DAY/MENU CHANGE** - Thursday 19 May is census day in school. The information we submit regarding our children affects our funding for the following school year. It is important for us that we maximise the number of **Foundation and Key Stage 1** children who have a universal free school lunch on this census day. If your child sometimes has a school lunch, but doesn't opt for a school dinner, we receive no funding for your child's lunch for the entire year but will continue to provide a lunch from the main school budget. However, if your child sometimes has a school lunch and opts for a school dinner on each census day, we receive 100% funding for the entire year! This also applies to the pupils who are entitled to **free school meals** in **Key Stage 2**. If you have any questions about this, please ask at the office. Thanks in anticipation of your support! The menu options for Thursday 19 & Friday 20 May will be as follows:

**Thursday 19 May - Fish & Chips, Sausage & Chips, Veggie Sausage & Chips or Jacket Potatoes**

**Friday 20 May – Pork Meatballs & Pasta or Creamy Vegetable Risotto**

**WPFA NEWS** - Thank you to everyone who joined in our Easter Hunt over half term, we raised a fantastic £130.00 which will go towards the school garden. It was great to have so many taking part and we hope you all had fun. With a special congratulations to Maisie Haste; winner of the Easter Hamper. We will be holding another Pre-loved uniform sale on Monday 9 May from 2.45 pm outside school reception - we can take card payments.

We have some exciting events coming up in the next few months, all aiming towards raising funds for our outdoor areas. Friday 13 May will see the kick off of our Raisin Challenge, with an adult Cupcake Decorating Evening planned for 25 May. Thank you for your continued support, Team WPFA.

**SPORTS NEWS** - Children from Year 1 and Year 2 participated in the KS1 Festival last Thursday. The multi-sports event at Morley Meadow Primary School gave our children a great chance to practice different activities and all of our children represented the school brilliantly! Well done!

Our Year 3 children have been enjoying fun and engaging swim lessons over the last two weeks. We are looking forward to seeing the children develop

their swimming skills over the course of the next few lessons!
