Cool Milk

Dear Parent/Carer

RE: DON'T LET YOUR CHILD MISS OUT ON SCHOOL MILK

A portion of fresh, chilled milk at mid-morning break provides protein, calcium and other vital nutrients, important for your child's growth and development. It is also a great way to bridge the gap between breakfast and lunch, re-hydrating your child and helping them to concentrate in class.

Currently, under 5's automatically receive free school milk as soon (unless you have told us about a dairy/milk allergy/intolerance) as they join the school but once they turn 5, this funded milk by the Government stops. However, you do have the option for this to continue by registering with Cool Milk, to supply milk at a subsidised cost of 28p per day.

What you need to do is:

Visit www.coolmilk.com as soon as possible and select "Register your child for milk here", then follow the on-screen instructions to register and pay.

OR ask the school office for a registration form - send your completed form to Cool Milk and they will send you a payment request.

Should you have any queries regarding your child's registration please do not hesitate to contact Cool Milk directly at customerservices@coolmilk.com.

Children entitled to income related free school meals and not infant universal free school meals are entitled to free school milk until their free school meal entitlement ends. To take up this offer you MUST notify the school on the slip below whether you would or would not like your child to have free school milk, so that the school can make the necessary arrangements.

Kind regards

Eve Vollans
