Expectations for each year group:

- 3 DT units to be taught throughout the year
- 4 Art units to be taught throughout the year (the unit suggested below can be done as part of 'Arts week' or through forest school sessions as appropriate).
- Please stick to the plans as shown. This means that there is art and DT being taught each half term by various year groups and it also means we can share resources out rather than all trying to use the same thing at the same time.
- Ideally I would like DT/Art to be taught once per week for the 5 or 6 weeks stated in the planning. I understand this might be hard to fit into the timetable so some units might be more suitable to complete as an 'Art/DT week'. Please let me know when you might be doing this and for what units.
